

Earn and Sell Rulebook 25-26'

Event Flow:

Pre-event Phase(2nd to 13th February, 2026)

Registration and Submission

- Registration for the competition should be done from the **VIERP** portal.
- Only one participant has to register for the competition from each team.
- **Registration fees:**
₹250 for V-EDC members and ₹300 for non-members.
- **Deadline** for form submission is **13th February**.

Workshop

- **Workshop** will be conducted by an expert for all registered participants on **13th February**.
- The workshop will cover topics like pitching, marketing, and managing stalls effectively.

Round 1: Presentation Round (14th and 16th February, 2026)

- All participating teams have to **prepare their ideas** to present it in front of the jury.
- Each team gets **10 minutes** to complete their presentation.
- Teams can use creative approaches to make sure the jury understands why their idea deserves to be selected.
- **Evaluation criteria** for this round is described later in the rulebook.
- **Results** for **round 1** will be declared **online** on **16th February**.

Pre Round 2 Phase(17th February)

Formal procedures before event

- **MOU (memorandum of understanding) signing** will be done by the shortlisted teams on **17th February** where the competition will be explained in detail and terms for their participation in this competition will be stated.
- Every **shortlisted team** will receive **up to ₹5000 seed money** to procure raw materials and complete event-day preparations.
- The amount of seed money provided will vary based on the participants' requirements.

Social Media Criteria

- **Posting content on social media:** Participating teams can start **posting on social media** about their idea and start marketing about the products which will be available at their respective stalls.

Round 2: Execution and Final Evaluation (18th February, 2026)

- Shortlisted teams have to arrive at the venue by **8:30 AM** to **start setting up their stalls**.
- The stalls should be **operative** from **10:00 AM to 5:00 PM** on **18th February**.
- Teams are supposed to execute their plan and complete sales in the given time.

- **After 5:00 PM** the participants will also have to interact with the **judges** and explain their execution strategies followed by **submission of receipts** i.e. a **breakdown of their sales** throughout the day.
- Their adherence with the rules and their performance will be monitored.
- Evaluation criteria for this round is specified with detailed distribution later in the rulebook.

Post event: Evaluation and Prize Distribution (18th February, 2026)

- **Winners and runner-ups** for the competition will be announced by **6:30 PM**.
- **MOU termination**.
- **Prize distribution** will start after the results are declared and **certificates** will be provided to all the participants.

General Guidelines:

- All participants are expected to adhere to all the rules given in the rulebook and announced during any phase of event flow.
- Each team can have a maximum of 4 participants.
- Food-related ideas must ensure proper hygiene and high quality of ingredients.
- Any technical or material requirements, such as electricity or specialized equipment, must be clearly mentioned beforehand and feasible.

- Ensure your idea can be fully executed within the ₹5000 seed money provided. Avoid ideas requiring additional funding.
- Any profit earned can be reinvested in procuring more material required at their stalls on the same day if needed.
- All teams proceeding to the Round 2 of the competition are required to contribute the initial investment and 10% of their overall profit from the event to V-EDC. This contribution is designated to cover event expenses and logistical support required by the participants on the day of the event.
- Focus on practical ideas that can be executed on the day of the event.
- Participants must have a clear understanding of the target audience's needs and purchasing power so as to align their strategies accordingly.
- Teams must showcase effective teamwork, with roles and responsibilities well-distributed for smooth execution.
- Participants are urged to create content and post marketing videos showcasing their idea and team while posting it in collaboration with V-EDC's Instagram pages as this will be considered as an evaluation criteria.
- All of the below given criteria will be considered for evaluation of teams and they are expected to strategize and showcase their ideas in adherence with that.
