

## **Roles and Responsibilities**

- **Aesthetics Volunteer:**

The Aesthetics Volunteer helps enhance the visual appeal of events through creative design and artistic expression. Their role includes supporting design concepts, ensuring consistency across visuals, and adding unique elements to make events visually engaging and memorable.

- **Corporate Relations Volunteer:**

The Corporate Relations Volunteer supports the team in building connections with entrepreneurs, investors, and industry leaders. Their role includes assisting in outreach, coordinating with speakers and startups, and ensuring smooth communication to foster collaborations and enhance events.

- **Event Execution Volunteer:**

The Event Execution Volunteer assists in managing event logistics, including merchandise, refreshments, and on-ground operations. Their role focuses on teamwork and attention to detail, supporting smooth execution and creating an organized, engaging experience for attendees.

- **Marketing and Outreach Volunteer:**

The Marketing and Outreach Volunteer supports creating event-specific brand identity and executing promotional campaigns. Their role includes boosting visibility, coordinating outreach, and attracting participation from campus and external audiences to ensure impactful events.

- **Multimedia and Design Volunteer:**

The Multimedia and Design Volunteer assists in creating posters, videos, and digital content for events and social media. Their role includes supporting design and editing, contributing creative ideas, and maintaining a consistent, engaging visual identity for EDC VIT Pune.

- **Operations and Venue Volunteer:**

The Operations and Venue Volunteer supports event planning and execution by assisting with venue setup, logistics, and coordination. Their role includes managing resources and sound systems, ensuring smooth on-ground operations, and contributing to the successful delivery of events.

- **Public Relations Volunteer:**

The Public Relations Volunteer assists in building connections with other E-Cells and supports collaborations. Their role includes organizing icebreaker sessions,

networking activities, and competitions, while contributing to offline outreach to strengthen EDC VIT Pune's presence and community.

- **Research and Media Volunteer:**

The Research and Media Volunteer supports EDC VIT Pune's social media and digital presence by curating content based on trends and news. Their role includes creating posts, stories, and reports, and tracking engagement to ensure consistent and impactful communication across platforms.

- **Sponsorship Volunteer:**

The Sponsorship Volunteer assists in reaching out to potential sponsors and securing sponsorships for EDC VIT Pune's events. Their role includes maintaining communication, coordinating deliverables, and ensuring sponsors have a smooth and positive experience.

- **Startup Connect Volunteer:**

The Start-up Connect Volunteer helps foster a start-up community within the college by supporting initiatives that engage budding entrepreneurs. Their role includes encouraging innovation, ensuring active participation, and maintaining connections that inspire members throughout their start-up journey.

- **Website and Broadcasting Volunteer:**

The Website and Broadcasting Volunteer assists in maintaining EDC VIT Pune's digital presence by supporting the website's development and upkeep. Their role includes managing event forms, tickets, and updates, while ensuring smooth functionality and an engaging, user-friendly online experience.
