Hierarchy

Research Papers

Structure

Steps

Clubs

- **Students:** Discover events, register for workshops/hackathons, view past winners, and apply for club recruitments.
- **Club Core Committees:** Manage budgets, recruitments, event proposals, and publicity , ticket selling , all event data systematically arranging (when require it should be found easily (Imin last 2 years)
 - data like
 - who were the participants
 - who wins the compition.
 - from where which colllege student come
 - from which college student win the most compition

means at last i should able to create as more as conclusion out of all the data
- **Faculty & Administration:** Review and approve event permissions, allocate venues/resources (classrooms, auditoriums, labs), and monitor club performance.
